

O O bet365

In the Grand Theft Auto series, gamers control criminals and attempt to increase their standing by completing missions in various virtual cities.

Grand Theft Auto | Open-world, Action-adventure, Crime | Britannica

Grand Theft Auto video game

To successfully pull off the heist, you'll need to prepare, and that means scouting the island for points of interest and gathering intel from scoping out escape routes, to noting where all the security cameras are placed around El Rubio's massive complex.

GTA Cayo Perico Heist all points of interest - PCGamesN
