Activision announced the major details for Season 9 of Call Of Duty Mobile, and The big update is to be released for its upcoming spooky season. Players can expect new multiplayer scenarios with a new submachine gun to unlock, and the return of the Campeonato Carioca, a football competition that is held every year in Rio, Brazil. The competition is organized by the state football federation (FFERJ) and is considered one of the most important of the Brazilian football league system. FFERJ also officially publishes the values of the sponsors, but it is possible that companies like Nike, which is the main sponsor of the Campeonato Carioca, will provide sports equipment for the players, as well as the right to use the name of the institution. In Rio, there is a special campaign in the city (in English). A Sony, an external company that sponsors the Campeonato Carioca, provides equipment for the players and is also responsible for the transmission of the games on television.
